There are three 3-week sessions (each session consists of nine classes, Tues, Wed and Thurs of each week).

Session 1: June 16 through July 2

Session 2: July 6 through July 23 *

Session 3: July 28 through August 13

** No lessons will be held on Wed, July 8; instead, lessons will be held on Mon, July 6.*

Notes: Our lesson program is for **Parklawn Pool members only**. We will enroll students based on their swimming ability. Swimmers progress at different rates due to their comfort level in the water, readiness for instruction, and consistent attendance. Adjustments will be made to the groups throughout the summer to address skill level and/or group size.

Fees:

- **9-Week Summer Session:** \$250 per swimmer
- **6-Week Summer Session:** \$180 per swimmer. Swimmer must register for two of the three 3-week sessions noted above (starting June 16, July 6, and/or July 28).
- **3-Week Session (Session 1, 2 or 3):** \$100 per swimmer.
- **To be eligible to receive the discounted 6-week or 9-week session rate, a family must register and pay in full by July 3.** The discounted rate is non-refundable and no discounts are offered after the July 3 deadline.
- **Any family registering or cancelling their registration within 48 hours of the start of a session will be charged a \$10 late registration or cancellation fee.**

Important Notes:

- Swimmers must be ready to stay in the pool and learn in a group setting, which generally means the swimmers are at least three years old.
- Lesson fees are **non-refundable** once the session starts.
- There will be **no make-up lessons for personal absences, including vacations, camps and illnesses**. Any lessons not used in a 3-week session are forfeited and do not carry forward to another session.
- **In the event of pool closures due to weather, etc., make-ups will occur on Friday of the same week. If more than one lesson is cancelled in one week, we will use the next Monday on which the pool is available.** Cancellations and make-up lessons will be announced via the Pool and Parklawn Piranhas Facebook pages and TeamSnap by 4:30 pm. No individual emails or calls will be made for cancellations or make-up announcements.
- **The lesson schedule will be adjusted for the week of July 6.** Because many of our instructors will be attending a swim meet on Wed, July 8, lessons will be held Mon, July 6, Tues, July 7, and Thurs, July 9, that week.

Registration Addendum for Bubbles

Any swimmer who cannot float with his/her entire face in the water and feet extended behind will not be evaluated in the water and should be registered for the Bubbles group.

In lieu of the in-water evaluation, we need parents to please fill out the questionnaire below and return it with your registration. This is very important, as it will help us to divide the Bubbles into appropriate groups before the first lesson and thus have a much more productive first day.
